WHAT'S UNIQUE ABOUT OUR SCHOOL

Over the last few weeks I have been reflecting about what is unique about our school. The comments I hear and actions I have witnessed tell me that our staff care a great deal about whether our students succeed and will do whatever it takes to get them across the line and into their chosen career or university. They plan, teach, chase up absenteeism, assignments, permission notes and problem solve to get the best outcome for each individual student. They also take on extra curricular activities and responsibilities that value add to the overall education of our students in the following ways:

Carlita McKean: Graduation and Tutoring Classes
• Jamie Brunjes: Tuckshop & Tutoring Classes
• Norah Murphy: Arts Council and Policy Development
• Sally Schulz: Awards Night, Primary Sport and Active After School Care
• Nathan Campbell: Homework Classes. Isabel Riggs: Junior Secondary & Antibullying
• Karl Ricker: ATAP, Elders Meetings and NAIDOC
• Ian Laughlin: Work Experience. Anja Janosevic: Community and Policy Development
• Teena Elliott: Student Leadership, Community Partnerships & ANZAC Day
• Simon Vriesema: School Web Site (Have you visited us online lately)
• Ashleigh Hunter: Active After School Care. Marie Murray: Show Display
• Doris Chapman: Homework Classes, P & C and Community Partnerships
• Kerri Bayles: ANZAC Day & Book Club. Alison Probst: Library
• Brian Macpherson: Garden Club & VET. Joy MacPherson: Softball and Sport
• Trudie Roth: P & C and Uniform Shop. Jane Carrol: Leadership & Community

If you would like to contribute to any of the following please see the coordinating staff member

Kind regards
Teena Elliott
Principal Eidsvold State School
Next meeting: AGM Monday March 24th 5.30pm

The Eidsvold State School Parents and Citizens’ Association welcomes the input of parents, care-givers and community members who would like to contribute positively to the Eidsvold State School community. When parents contribute positively through the P & C, students benefit. Joining the P&C is a great way to demonstrate to your children how much you value education.

A message from the English Department

This week the year eight and nine students began their new unit entitled ‘Short Stories’. During this seven week unit, the students will read, view, analyse and evaluate a range of short stories from both print and visual sources to investigate their structure and worth. They will be required to write a persuasive essay, defending one of the short stories studied in class as their favourite. Their culminating assessment task is a short story written in response to the class stimulus material provided. This unit has been designed to align with the impending NAPLAN Writing Test that will occur in week four of term two. If you have any queries regarding your child’s work or performance in English please feel free to contact me at the school or at cmcke249@eq.edu.au

Kind regards,

Miss McKeen
Secondary English Teacher

The 2014 National Day of Action against Bullying and Violence is being held on Friday 21st March. Bullying. No Way!

Eidsvold State School students are encouraged to wear orange (gold coin donation) on Friday 21st March to take a stand against bullying. There will be a sausage sizzle, in place of tuckshop, available to students for lunch for a gold coin donation (vegie burgers also available).
