**WE HAVE VISION**

This week myself and teachers have revisited our vision for our school community and what we believe to be the core of our business. We talked about what our journey was all about and what we are striving to achieve. In an idea world we would see parents and community members valuing education by contributing time and expertise to our school to work with students and teachers to achieve outstanding results for every student.

We feel this is not an unrealistic goal, however it will take time to achieve. Consequently in our vision statement we talk about learning together and about each other and making a commitment to the shared goal of providing our students with real skills and the confidence to go forward as a global citizen.

We are very happy to receive feedback about our vision statement and talk to you about what it means for us and for you, so please drop us a line or give us a call. We’d appreciate your input.

**JUNIOR SECONDARY LOGO ON THE WAY**

At Eidsvold State School we believe in success through industry. Staff, students and community members are on a learning journey together that is founded by high expectations, commitment and shared goals. This is achieved through support and feedback to develop autonomous learners and great leaders for the world of tomorrow in a global society.

This week we also took a draft of the new Junior Secondary logo to the school leaders group and student council for their feedback. The feedback was positive and constructive. The logo will be taken to the next P & C meeting for their consultation and then it will be released to the school community for consultation. Please take time to come to the next P & C meeting so you may have input into the logo. See you there.

Kind regards Teena

Congratulations to the following students for upholding the four pillars of the Eidsvold way — being respectful, being a learner, being responsible and being safe!

Prep/Year 1—Haylee Oppermann

Years 2/3—Lleyton Comollatti

Years 4/5/6—Julian Skinner

Our stars of the week

SPORTS DAY IS HERE!

Students are to meet at 8.30 outside the ambulance station to have the roll marked and prepare for the march past.

Students are not to come to school.

Please ensure that your child has sunscreen, a hat and a drink. Food and drink will also be available from the tuckshop at the football grounds.

We look forward to your support tomorrow.
Congratulations to the following students for their outstanding homework efforts: William Lawlor, Riley Preston, Ella Fort, Grace Roth and Lily Hastings. These students have presented their homework impeccably, with margins, dates, all work completed and their reading signed off!
