Eidsvold State School students gathered to pay their respects on August 7, Australia’s National Day of Mourning, and to lower the school flags to half mast, for the 298 people, 283 passengers and 15 crew, who died on MALAYSIA Airliner MH17 when it was shot down over eastern Ukraine on July 17, 2014.

School Uniform Agreement

Many thanks to the parents of students who reinforce and assist students to comply with our uniform expectations on a daily basis. We currently have 95% of students in full school uniform with some minor infringements. Well done students and parents!

Parents would have received a copy of the uniform agreement in the mail this week. The agreement was passed at the P & C meeting on the 15th of July. All parents were informed of the dates for the P & C meetings where the uniform agreement was discussed and passed.

Each school community decides on a student dress code which reflects the needs and circumstances of that school community.

Students are required to wear their school uniform during school hours, while traveling to and from school, and when students are engaged in school activities outside of school hours.

Thanks again parents and students for your support. Kind regards Ms Elliott

Zane Kyle A Shot at Representative Level

*An interview with the legend himself*

Zane is an unassuming year 5 student who recently attended the North Burnett Athletics Trails at Mundubbera. His achievements at this event have been outstanding. Zane came first in the 10yr old high jump, and was very competitive in the 200m run, 400m run and long jump. Zane is thinking his best event will be high jump, however he will put in his best effort at all events. We wish him the best of luck, however we know with Zane’s drive and enthusiasm he won’t need it. Zane has received a school tracksuit as a reward for his excellent behaviour, attitude and achievement at the NB Trails. Well done Zane.
