

Ricker's Rocketing Stars

ATAP 2014

Last Thursday and Friday, a team of five students from Eidsvold State School travelled to Rockhampton to compete in this year's annual ATAP competition. The team consisted of Lashica Pope, Skye Pope, Tate Boyle, Payden Boyle and Dannielle Bauer - a spectator, strategy analyst and prospective competitor for ATAP 2015. The team competed in a number of different categories that tested their knowledge, communication skills, teamwork and creativity. They delivered a persuasive speech, drama performance an improvised commercial, and competed in a general knowledge quiz. After presenting confidently and lively for each of these challenges, they made it through to the finals. Friday night, after the suspenseful showdown, the team was awarded first place for their persuasive speech, first place for their drama performance and first place overall, making them the 2014 ATAP winners. Congratulations to the team for their dedication, determination and daring.

I think ATAP was a deadly experience because I gained more confidence and we all met and made new friends. It was a lot of fun and well organised.' Payden Boyle

ATAP was a great experience. I gained a lot of confidence and we were able to meet and make new friends. It was lots of fun and well organised.' Lashica Pope

ATAP was a great experience, meeting other schools and learning more about the Aboriginal culture.' Tate Boyle

I think ATAP was deadly. The competition was pretty hard this year. It was good to meet new people.' Skye Pope

CHILDCARE DISABILITY SUPPORT

The Australian Government's [Inclusion and Professional Support Program](http://deewr.gov.au/inclusion-and-professional-support-program) (<http://deewr.gov.au/inclusion-and-professional-support-program>) and the Queensland Government's Disability Support Funding Program may provide extra funding to childcare services to help them support your child's participation in early childhood education and care programs. The programs allow services to provide specialist equipment and resources

- training and professional development for teachers
- extra teacher aide time
- more educators or carers.

Speak to your childcare service for more information about how they support children with disability.

Enrolling your child

Many childcare services take enrolments all year. Some can place children at any time; others may have a waiting list. Contact the provider about their enrolment policies.

When you enrol you may be asked to provide:

- the child's name and address, and details about their parents, carers or guardians
- details of any special requirements—disability or food allergies
- proof of date of birth—birth certificate or visa
- health and immunisation status
- details of the people allowed to pick up your child.

AGE REQUIREMENTS

In Queensland, different types of early childhood education and care services deliver programs for children from birth to 12 years old. Read more about [age requirements for specific services](http://www.qld.gov.au/education/childcare/) (<http://www.qld.gov.au/education/childcare/>

THE UNIVERSITY OF
WESTERN AUSTRALIA
Achieve International Excellence

Remember when you believed in anything and everything?

Researchers from the University of Western Australia are investigating children's tendencies to being tricked, fooled and misled by their peers. We are looking to see how this develops in children, and when children outgrow this.

We are looking for parents of **10 – 11 year old children** across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 \$50 gift certificates to Coles/Myers. To participate go to: <http://tinyurl.com/childsvq2>
