AWARDS NIGHT 7TH OF NOVEMBER

The annual Eidsvold State School Awards Night will be held on the 7th of November, at 6.30pm in the Town Hall.

I very much look forward to this event as a celebration of our students’ and school achievements over the 2014 school year.

As a mark of respect for this prestigious event students are to be in full school uniform and be sitting with their class group to enable them to accept an award.

The event will begin promptly at 6.30am, please be seated by this time.

Should you have any questions about the event or awards, please speak to the school in the first instance to ensure you have the correct information.

STUDENT LEADERSHIP GROUP PLANNING YOUTH LEARNING AND WELLBEING FESTIVAL FOR 2015

The student leadership group is busy thinking about and planning a youth festival for May 2015. This event promises to entertain, enrich and empower North Burnett Youth.

It will be an opportunity for youth to engage with and learn from their peers and community members and learn about themselves.

Events within the festival may include team challenges, informative health and wellbeing sessions, physical challenges including a touch footy competition, linking into community resources and exploring future pathways.

To date students have been learning what leadership is all about and putting small plans and projects into action. This event will enable them to utilise these skills and collaborate with various agencies and persons to pull together and deliver a major event. How exciting !!!!

If there are any community members who would like to be part of this event our students would welcome your assistance.

Anything is possible.

Kind regards Teena Elliott
