

Investing for Success

Under this agreement for 2019
Eidsvold State School will receive

\$59,734*

This funding will be used to

Address the following school priorities:

- Collaborative challenging of all staff and the school leaders and systems in which they work by focusing on pedagogy to ensure that teachers have 'powerful and sensationally positive effects on the learner' (Hattie 2003, p. 3).
- Build on successes of the positive learning environment in the school through Inquiry Cycles using (Positive Behaviour for Learning) PBL data.

Our initiatives include

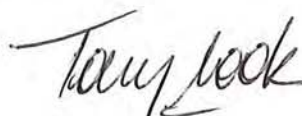

Initiatives	Evidence Base
<p>Re-focus teacher instruction onto the explicit teaching model in all learning areas (measured through data sets associated with current student performance, attendance, Closing the Gap results and senior school outcomes).</p> <p>Embed professional moderation practices that highlight the importance of high quality, defensible teacher feedback to students and parents.</p> <p>Implement whole school intervention strategies and support to students at risk of being below the National Minimum Standard in NAPLAN.</p>	<p><i>Archer. A 2010, Explicit Instruction: Effective and Efficient Teaching.</i></p> <p><i>Fullan. M & Sharratt. L 2012, Putting faces on the Data: What Great Leaders Do!</i></p> <p><i>PBL Philosophy and Frameworks.</i></p>

Our school will improve student outcomes by

Actions	Costs
Admin staff create strategies and sustain operational approaches that lead to students engaging with more positive and supportive classrooms.	1 X Teacher – Learning support role \$39,000
Increased intervention - teacher aide time provided to support students who require additional support.	1 X Teacher Aide \$20,734
